BOHEMIA

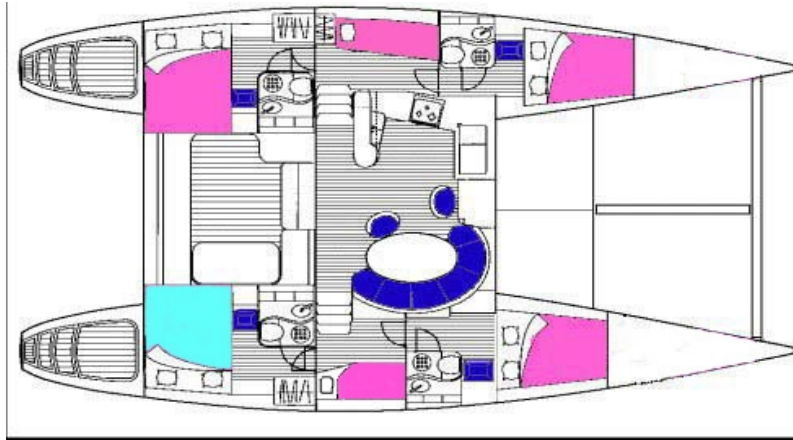

47' Lagoon

Bohemia is a 47' Lagoon Cat Sail that cruises at 15 knots! Another great feature of this cat is that it only drafts 4.5 feet of water. This means you have more ability to cruise and explore than the large boats do when on your Caribbean get away. This is perfect for someone looking to find private hideaways for pure serenity and tranquility. Bohemia comfortably sleeps 6 adults however it is possible for a small child to sleep in a mini berth in addition. The cabin is configured into 3 double beds and 1 twin bed so everyone has enough room to get a good rest. The shallow draft, great cabin configuration and the fun of cruising on the trampoline make a week on the Bohemia possibly the best value in yacht charters around.
