LADY ANGELE

72' CT

Lady Angele has just recently had her interior completely refitted including new upholstery, mattresses, cushions and varnish among other things in '06. The new mellow tans and whites of the interior blend beautifully with the highly varnished interior woods. The classic colors mesh very well with the classy lines of the hull. The lay out of Lady A is a master owner suite style plan. The master suite is a full width berth with a king size bed. This leaves the other cabins with pull out queens or a twin. This lay out is a better design for a small more personal group rather than a multi-couple cruise. The intimate design of the yacht is complimented by such features as a brand new galley, a rigid inflatable tender fitted with a 80hp motor to allow for such sports as fishing and water skiing and terrific entertainment amenities. You could always let the crew find you the perfect destination and set up all the beach sports for you as well. It's just like your own private resort! Lady Angele sails from St. Maarten around the Caribbean VI's, Leeward and Wayward Islands all year. Gay or Nude cruises are available. Pricing for one week ranges from \$13,000 to \$19,250 Inclusive.
